

Indo–German Business Arbitration: Navigating Commercial Disputes in a Global Economy

8 September 2025

[Embassy of India, Tiergartenstrasse 17, 10785 Berlin (1030 hrs to 1330 hrs)]

We are glad to invite you to this event held as part of the Berlin Dispute Resolution Days. The event offers an excellent opportunity to hear representatives from the Mumbai Centre for International Arbitration (MCIA), German Arbitration Institute (DIS), industry bodies, Osborne Clarke and Indian law firms, and discuss international arbitration and its role in supporting cross-border trade and investment, particularly along the Indo-German corridor. Discussions will cover current trends in trade and investment disputes, emerging risks in cross-border commerce, and innovations in institutional arbitration. The event will also address navigating the legal landscape for doing business in both jurisdictions. We look forward to seeing you.
